The German Online Access Act ("OZG")

The federal government and the federal states are obliged to offer their administrative services electronically via administrative portals by ... [end of 2022] ... at the latest.

... establishing a single digital gateway to provide access to information, to procedures and to assistance and problem-solving services and amending Regulation (EU) No 1024/2012.
Our goal: Digital exchange of student credits across higher education institutions

Connect to existing European Standards (EWP, Emrex, EDCI)

Support the Implementation of Online Access Act + Single Digital Gateway
